10. 1999/1997: Member of the Directory Board (Membro do Conselho Directivo) of CIRIUS;
11. 1996/1995: Member of the Pedagogic Council (Conselho Pedagógico) of ISEG, Technical University of Lisbon.
12. 1996/1994: Member of the Mesa da Assembleia Geral of the CIRIUS.

4. SCHOLAR ACTIVITY AND TEACHING:

Graduate Courses (PhDs and Masters):

1. 2014 Environmental Engineering – Resources Efficiency and Recovery | *environment2Resources* PhD Programme, PDE/00013/2013. ISA Instituto Superior de Agronomia, School of Agriculture; IST Instituto Superior Técnico School of Engineering, Science and Technology and Architecture; and ISEG Lisboa School of Economics and Management (project submitted to FCT Fundação para a Ciência e Tecnologia);

2. 2010/2014. *Sustainable Development: Policies and International Cooperation (Desenvolvimento Sustentável: Políticas e Cooperação Internacional)*. Teaching: theoretical/tutorial lectures together with Manuel Coelho. Master Course in Development and International Cooperation (Curso de Mestrado em Desenvolvimento e Cooperação Internacional). ISEG Lisboa School of Economics and Management, Universidade de Lisboa.
3. 2009/2014. *Introduction to Economics*. Coordination and teaching: theoretical and tutorial lectures. MIT Portugal Program PhD Course in Sustainable Energy Systems. Instituto Superior Técnico (IST), Instituto Superior de Economia e Gestão (ISEG), Faculdade de Engenharia do Porto (FEUP), Universidade de Coimbra (UC), Faculdade de Ciências da Universidade de Lisboa, and Massachusetts Institute of Technology (MIT).
4. 2011/2013. Postgraduate Course in Economics of Energy, Environment, and Sustainable Development. Teaching: theoretical/tutorial lectures together with Manuel Coelho. ISEG, Lisboa School of Economics and Management, Universidade de Lisboa.
5. 2007/2008. *Introduction to Microeconomics*. Coordination and Teaching; theoretical and tutorial lectures. MBA. ISEG Lisboa School of Economics and Management, Universidade de Lisboa;
6. 2006/2007. Environmental and Natural Resource Economics. Coordination and teaching: theoretical and tutorial lectures. Master Course in Energy and Environmental Policy and Economics (Economia e Política da Energia e do Ambiente). ISEG Lisboa School of Economics and Management, Universidade de Lisboa;
7. 2006. Environmental Economics. Coordination and teaching: theoretical and tutorial lectures. *Postgraduate Course in Environmental Sciences and Technologies* FCUL Faculty of Sciences, Universidade de Lisboa;
8. 2004/2005. *Introduction to Microeconomics (Preliminary Level)*. Coordination and Teaching: theoretical and tutorial lectures. This is an introductory subject common to

the entire Master Courses in ISEG Lisboa School of Economics and Management, Universidade de Lisboa;

9. 2004/2005. *Microeconomics* (Intermediate Level), Coordination and teaching. Master Courses in Monetary and Financial Economics (Mestrado em Economia Monetária e Financeira). ISEG Lisboa School of Economics and Management, Universidade de Lisboa.

Undergraduate Courses:

1. 2010-2012, Economics I - (intermediate level). Teaching: theoretical lectures and tutorial lectures. Economics, Management, Mathematics Applied to Economics and Management and Finance Courses. ISEG Lisboa School of Economics and Management, Universidade de Lisboa.
2. Since 2008, *Microeconomics II* (intermediate level). Teaching: theoretical and tutorial lectures. Economics, Management, Mathematics Applied to Economics and Management and Finance Courses. ISEG Lisboa School of Economics and Management, Universidade de Lisboa.
3. 2007/2008, *Microeconomics II* (intermediate level). Coordination and Teaching: theoretical and tutorial lectures. Economics, Management, Mathematics Applied to Economics and Management, and Finance Courses. ISEG Lisboa School of Economics and Management, Universidade de Lisboa.
4. Since 2000-2007 *Microeconomics II* (intermediate level). Teaching: theoretical and tutorial lectures. Economics, Management, Mathematics Applied to Economics and Management and Finance Courses. ISEG Lisboa School of Economics and Management, Universidade de Lisboa.
5. Since 2000, *Microeconomics I* (intermediate level). Teaching: tutorial lectures. Economics, Management, Mathematics Applied to Economics and Management, and Finance Courses. ISEG Lisboa School of Economics and Management, Universidade de Lisboa.
6. *Microeconomics* - Management Undergraduate Course (intermediate level). Teaching: theoretical and tutorial lectures. ISEG Lisboa School of Economics and Management, Universidade de Lisboa.

7. *Economic Analysis*. Teaching: theoretical/tutorial lectures. Economics and Management Courses. ISEG Lisboa School of Economics and Management, Universidade de Lisboa.

8. *Studies in Applied Economics II*. Teaching: theoretical/tutorial lectures. Economics and Management Courses. ISEG Lisboa School of Economics and Management, Universidade de Lisboa.

Other Advanced Courses:

1988. Former in the Project Appraisal area of the *Environmental Technician Formation Course*, organised by GEOTA, Grupo de Estudos de Ordenamento e do Território.

5. RESEARCH

Fields of Research and Work in Progress (JEL classification) :

Valuation of External Effects (**Q51**); Environment and Development; Environment and Trade; Sustainability; Environmental Accounts and Accounting; Environmental Equity; Population Growth (**Q56**); Recreational Aspects of Natural Resources (**Q26**); Renewable Resources and Conservation (**Q230**); Agricultural and Natural Resource Economics; Environmental and Ecological Economics - General (**Q00**); Cultural Economics; Economic Sociology; Economic Anthropology (**Z1**).

Membership and Affiliation in Research Centres and Scientific Societies:

1. 2013 – ... The Regional Science Association International (RSAI).
2. 2013 – European Regional Science Association (ERSA).
3. 2011-2012. Canadian Center of Science and Education.
4. SOCIUS as Scientific Eligible Member (evaluated by FCT with Excellent);
5. Association of Environmental and Resource Economics (AERE).
6. European Association of Environmental and Resource Economists (EAERE).
7. The International Society for Ecological Economics (ISEE).
8. Asociación Hispano Portuguesa de Economía de los Recursos Naturales Y Ambientales (AERNA).
9. Research Centre of Urban and Regional Studies (CIRIUS).
10. Centre for Studies on the Portuguese Economy (CISEP).

Research Projects:

1. 2011-2014. Funerary practices in Alentejo's Recent Prehistory and socio-economic proceeds of heritage rescue projects PTDC/HIS-ARQ/114077/2009 funded by FCT (Classification: Excellent). Instituto Politécnico de Tomar (IPT) (Instituição proponente), ERA Arqueologia SA (ERA) (Instituição Participante), Centro de Geociências (CG/FCT/UC) (Instituição Participante), Centro de Investigação em Antropologia (DA/FCT/UC) (Instituição Participante), Centro de Investigação em Sociologia Económica e das Organizações (SOCIUS/ISEG/UTL) (Instituição Participante).
2. 2010/2013. Contribution of Social Responsibility to Sustainable Development. (Contribuição da Responsabilidade Social para o Desenvolvimento Sustentável) PTDC/AAC-AMB/103907/2008 funded by FCT (Classification: Excellent. SOCIUS Research Center in Economic and Organizational Sociology and ADVANCE Advanced Research in Management. ISEG
3. 2005/2008. *Fogos Florestais: Factores de Risco Associados a Danos Económicos e Ambientais (Forest Fires: Environmental and Economic Risk Factors)*, coordinated by the Paulo Ferrão (Technical University of Lisbon), with the participation of Instituto Superior de Economia (ISEG), Instituto Superior Técnico (IST) e Instituto Superior de Agronomia (ISA), and financed by *Banco Santander Totta* and *Fundo Florestal Permanente*.
4. 1999. *Competitiveness, Regional Arrangement and the Environment*. Center for Development and the Environment (SUM)- University of Oslo/ Research Centre of African and Development Studies (CESA)/ Centre d'Études d'Afrique Noire (CEAN)/ Political Science Department (RECIPE)/Research Centre of Urban and Regional Studies (CIRIUS). Co-coordination and co-research of the South-African Development Countries Section, with Antonina Lima (this project was coordinated and financed by the Centre for Development and the Environment (SUM), University of Oslo).

Conferences (with referring) and Seminars (participation with papers and oral communications or with posters, and/or as discussant or chair):

1. Mendes, I. and Coelho M. 2014. The Economic Value of Cultural Heritage Valorization Programs: a Contingent Valuation Approach: The case of Brinches and Sobreira de Cima. 20th APDR Congress University of Évora, Évora (Portugal), 10-11 July 2014.
